LIFE SKILLS AND LEADERSHIP DEVELOPMENT PROGRAMME

Dear Parent/Guardian

SBSM has made huge strides in the academic and sporting programmes. However, we firmly believe in the holistic development of our learners, therefore we are embarking on numerous life skills programmes.

Every learner will be involved in their respective camps yearly. These camps add tremendous value to the development of your child. They cultivate discipline, tolerance, confidence, leadership, and FUN, which is what our school is all about. It builds emotional intelligence and social interaction which are vital for both our learners and staff. These are a must for our children in this environment.

Listed below are the different camps the learners will be embarking on in 2020.
